## Professional Summary

Statistics and Economics graduate with a strong foundation in statistical modelling, probability, statistical inference, quantitative analysis, and empirical research. Skilled in analysing complex datasets, developing data-driven solutions, and translating quantitative findings into actionable insights. Demonstrates strong analytical, critical thinking, and research skills with a commitment to evidence-based decision-making. Passionate about applying statistical methods to biomedical and public health research to improve health outcomes and inform policy.

## Education

**University of Ghana** — **Accra, Ghana**

***B.A Statistics and Economics*: *GPA 3.91/4.0*** — ***January 2022 - September 2025***

- First Class Honors.
- Research: Longitudinal Study of Brain Structure Changes in Alzheimer's Disease Using Machine Learning.
- Top 1% on the Vice Chancellor's Outstanding Student List.
- Overall Best Student in Statistics and Economics.

## Professional Experience

**Ghana Revenue Authority, Ministry of Finance** — **Agona Swedru, Ghana**

***Assistant Client Service Manager*** — ***May 2024 - July 2024***

- Resolved 50+ taxpayer inquiries weekly on filings, payments, and refunds, achieving a 95% issue-resolution rate within 3 business days.
- Delivered 10+ public education sessions and one-on-one consultations during the month, improving taxpayer awareness of obligations and available services by 30%, measured via post-session feedback.
- Assisted in addressing and closing 20+ taxpayer complaints and disputes, maintaining a 90% client satisfaction rate through timely and professional service.
- Supported the collection and processing of taxes (income, VAT, corporate), helping to streamline workflows and reduce average processing time per transaction by 15%.

**Agona West Municipal Assembly, Ministry of Local Government** — **Agona Swedru, Ghana**

***Data Analyst*** — ***March 2024 - May 2024***

- Entered and validated 1,500+ records using R and Excel with a 99% accuracy rate, ensuring reliable datasets for municipal decision-making.
- Collected, organized, and maintained statistical data from 6+ municipal departments, improving accessibility and consistency of records.
- Contributed to the preparation of 5 comprehensive statistical reports and 3 presentations, supporting evidence-based discussions at council meetings and public dissemination.
- Streamlined scheduling and documentation processes for the Municipal Statistician, improving workflow efficiency and reducing administrative delays by 20%.

**Allahu Akbar Enterprise** — **Gomoa Tarkwa , Ghana**

***Sales Attendant*** — ***February 2016 - June 2022***

- Assisted an average of 30+ customers daily with product selection, providing tailored recommendations that improved customer satisfaction and repeat purchases.
- Processed hundreds of transactions weekly, ensuring 100% accuracy in cash handling and sales records over 6 years.
- Resolved 95% of customer inquiries and concerns on first contact, maintaining a reputation for prompt and courteous service.
- Contributed to store organization and stock management, helping to reduce product shortages and improve sales efficiency by 15%.

## Teaching Experience

**Department of Statistics and Actuarial Science, University of Ghana** **Accra, Ghana**
***Teaching Assistant, Instructor: Dr. Issah Seidu*** ***October 2025 - current***

- Assisted in the instruction of PHMD 457: Biostatistics and Research Methods for Pharmacy, facilitating tutorials and practical sessions on estimation, hypothesis testing, regression modeling, study design, and statistical inference for health research.
- Assisted in the instruction of Statistical Inference (STAT 333) and Advanced Regression (STAT 445), facilitating tutorials and problem-solving sessions on estimation, hypothesis testing, regression modeling, and statistical decision-making.
- Guided students in the use of statistical methods for data analysis, interpretation of empirical results, and evidence-based conclusions, contributing to improved academic performance.
- Provided individualized academic support to undergraduate students, strengthening their understanding and application of statistical inference and regression techniques in coursework and research projects.
- Collaborated with faculty members in supporting course delivery, grading assignments, and maintaining high academic standards within the Department of Statistics and Actuarial Science.

**Home For Hope Preparatory School** **Gomoa Tarkwa, Ghana**
***Class Instructor*** ***January 2020 - September 2021***

- Administered and graded weekly tests for 40+ students, ensuring timely feedback and measurable academic progress.
- Strengthened parent–teacher collaboration by holding monthly check-ins, which improved student engagement and accountability.
- Designed and implemented behavior improvement strategies, leading to a significant reduction in classroom disruptions.
- Provided 5+ hours of after-school and weekend tutoring weekly, raising struggling students' performance by an average of one grade level.

## Professional Development & Conferences

**StatFest 2025, American Statistical Association** **Virtual**
***Mentee*** ***September 2025 - September 2025***

- Attended 4 graduate preparation workshops focused on admissions, research readiness, and professional development.
- Networked with 30+ statisticians and data scientists from academia, industry, and government, expanding professional connections.
- Participated in 1:1 mentoring sessions, receiving tailored guidance on graduate school success and career planning.
- Explored emerging opportunities in statistics and data science, aligning insights with future academic and professional goals.

## Academic Service, Leadership, & Volunteering

2024 - Chairperson, Academic and Scholarship Committee: University of Ghana, Jubilee Hall - International Hostel

2024 - Deputy Chairperson, Academic Committee: University of Ghana Actuarial and Statistics Society

2023 - Chief Clerk, Jubilee Hall Parliament: University of Ghana

2023 - Marshall, Jubilee Hall Parliament: University of Ghana

2021 - Peer Mentor, Compassion International Ghana

2021 - Staff Financial Secretary, Home for Hope Preparatory School: Gomoa West Education District

2020 - Pandemic Educator, Economics Department: Potsin T.I. Ahmadiyya Senior High School

2019|20 - Treasurer, General Arts Student Association: Potsin T.I. Ahmadiyya Senior High School

## Research Experience

**Manuscript Submitted/In-progress (Google Scholar)**

- Baidoo, D., **Aboagye, F**, Okeke, O. J., et al (2024, in review). Comparing malaria trends in the Comoros Islands: ARIMA modeling and retrospective analysis. https://arxiv.org/abs/2508.16018
- Baidoo, D., Amevor, R., **Aboagye, F**., Kubuafor, E., et al (2025, in review). Bayesian Hierarchical Methods for Surveillance of Cervical Dystonia Treatments. https://arxiv.org/abs/2508.15762

**Academic Projects**

- *The Impact of Technological Advances on Students* - Led a team of five to assess digital literacy, evaluate benefits and drawbacks of technology for learning, and analyze student preferences for future integration.
- *The Questionnaires Used in the 2021 Population and Housing Census in Ghana* - Led a team of four to interpret and analyze census questionnaires, ensuring accurate understanding and application of collected data.

**Presentation**

- **Aboagye, F**. (2024, October). Exploring How Multiple Indicator Cluster Surveys Are Designed and Implemented. Presented semester-long research at the University of Ghana Economics Department seminar.
- **Aboagye, F**. (2023, March). The Questionnaires Used in the 2021 Population and Housing Census in Ghana. Presented semester-long research at the University of Ghana Economics class.

**Talks**

- **Aboagye, F**. Intro to R. University of Ghana, Department of Statistics and Actuarial Science. Accra, June 2024.
- **Aboagye, F**. Intro to Latex. University of Ghana, Department of Statistics and Actuarial Science. Accra, October 2023.

## Awards & Honors

2025 - Best Teaching Assistant Award, Department of Statistics and Actuarial Science

2025 - Sadhu T.L. Vaswani/Indian Association of Ghana Endowment Fund Award for Economics - Overall Best Graduating Student in Economics

2024|25 - Overall Best Level 200 Student in Economics - Vice-Chancellor's Ceremony in Honour of Award Winners for 2022/2023 Academic Year

2023|24 - Overall Best Level 200 Student in Statistics - School of Physical and Mathematical Sciences Award Ceremony for the 2022/2023 Academic Year

2022 - Fondazione Edu Scholarship - University of Ghana Financial Aid Office

2018|20 - Excellence Club Award – Recognized for outstanding academic performance (minimum of 6 A's in 8 courses per semester)

2016|17 - Inter-School Quiz Champion – Won multiple quiz competitions with the school team at the basic school level

2016|17 - Inter-Cluster Quiz Champion – Secured top position in regional quiz contests, demonstrating teamwork, critical thinking, and academic excellence.

## Highlighted Skills

**Soft Skills**: Strong communication skills, leadership and team coordination, analytical thinking and problem-solving, collaboration and interpersonal effectiveness, relationship development and networking

**Technical Skills**: Proficiency in data analysis tools (R, Python), LaTeX, Microsoft 365, Prompt expert with LLMs
